Dear Armands,

I really appreciated the work done by EDI during the Convergence project (Flag-ERA). It was a great pleasure to work with you and your colleagues Modris, Ricards, Juris, Artis and Kaspars.

I appreciated your responsiveness, yours skills and your experience in this new collaboration. EDI is a reliable partner.

Thank you again to everyone involved at EDI. I will be happy to work with you again in further project.

Elise Saoutieff, project manager at CEA
